## About the Workshop

'Necessity is the Mother of all Inventions' the systematic change that the Globe is passing through changed the conduct of life. Innovation became the strong pillar of the modern society, which engulfs in its ambit the research and development of large multinational companies, budding entrepreneurs, literary and artistic works, designs, marks, images, names etc., emitting from human intelligence. To reap the fruits of higher economic growth of a nation where the economy flourishes because of Innovation, there is an imminent necessity to promote, protect and realize the eworkshop on Importance of Quality Research & Innovation in higher education by creating awareness about the rights of the people over their innovative creation. The contours of law too have undergone tremendous evolution from physical system to digitization of governance and order. This E-Workshop creates a platform where the seeds are sworn to identify and protect one's intellectual efforts. The Workshop on Importance of Quality Research & Innovation in higher education covers various aspects like Research and Innovation, Patents, Copyrights, Designs, Trademarks and Geographical Indications.

#### **Objective of the Workshop**

The National E-Workshop aims to provide an in-depth knowledge of research and innovation. Though the growth of the economic market is driven by Intellectual Property, the lack of awareness on the Research and Intellectual Property Rights has been a challenge in furthering the economic growth. To face these challenges, it is important to rekindle the intelligence of the human brain to involve in innovations, thus creating Intellectual Property. This created Intellectual Property needs incentives and protection.

#### National Level One Day E-Workshop On

# "Importance of Quality Research and Innovation in Higher Education"

31<sup>th</sup> August – 2021

#### **Introduction:**

Research and development (R&D) include activities that companies undertake to innovate and introduce new products and services. It is often the first stage in the development process. The goal is typically to take new products and services to market and add to the company's bottom line. R&D represents the activities companies undertake to innovate and introduce new products and services or to improve their existing offerings. R&D allows a company to stay ahead of its competition. Companies in different sectors and industries conduct R&D-pharmaceuticals, semiconductors, and technology companies generally spend the most.

The main objective to take e-workshop and presentations to allow all participants to enter into The term R&D is widely linked to innovation both in the corporate and government world or the public and private sectors. R&D allows a company to stay ahead of its competition. Without an R&D program, a company may not survive on its own and may have to rely on other ways to innovate such as engaging in mergers and acquisitions (M&A) or partnerships. Through R&D, companies can design new products and improve their existing offerings.

There were inputs from key speakers who provided insights into the aspects responsible for developing and enhancing quality research in education. The e-workshop was a key activity for the college that aims to empower learning, develops skills and support opportunities for all within the society. #### > Introduction

Department of Botany, MSP arts, Science and KPT Commerce College, Manora organized On "Integrated Approach in Science and Technology for Sustainable Future" on the occasion of National Science Day 2022 for B.Sc. students on 28<sup>th</sup> February 2022.

The resource person for workshop was Dr. Prasad Subhash Patil Assistant Professor, Department of Dairy Microbiology College of Dairy Technology, Warud (Pusad) (Maharashtra Animal and Fishery Sciences University, Nagpur)

In order to commemorate the discovery of the Raman Effect in India by the Indian physicist, Sir Chandrasekhara Venkata Raman in the year 1930, the day is celebrated as National Science Day. For his great success in the field of science in India, Chandrasekhara Venkata Raman had been awarded and honored with the Nobel Prize in the Physics in the year 1930. To honor this event, 28th of February is observed as a National Science Day in India by the National Council for Science and Technology Communication (NCSTC). A particular theme is selected for every year National Science Day Celebration. The theme of this year was "integrated Approach in Science and Technology for sustainable future".

The Event started with welcoming of principal sir Dr. N.S. Thakare, keynote speaker Dr. Prasad S. Patil, all teachers and students.

The inauguration of program done by auspicious lamp lightning ceremony and workship to the frame of Sir C.V. Raman and Sant Gadge Maharaj.

Then Dr. M.N. Iqbal sir gives details of whole program schedule. Dr. S.D. Ingole sir introduced key speaker by giving his detail information and topic of the lecture to student.

Then the resource person started the lecture on theme of national science day "integrated Approach in Science and Technology for sustainable future" lecture started around 12.30 PM and ended around 01.30 PM. His talk was mainly focus on the different Aspects of Science, recent trends in science and technology, he discuss various case studies with students related to science.

The lecture was very informative and the lecture was received with a feeling of respect and approval of students and they also found slides appropriate.

On the occasion of National Science Day, Department of Science organizes different activities for students. Prize distribution ceremony was held after completion of guest talk.

The event ended with vote of thanks given by Mr. S.R. Aher assistant professor Department of Botany. The whole event was host by Ms. S.N. Dhawale assistant professor Department of Botany.

#### **>** Objective of workshop

- 1. To discuss all the issues and implement new technologies for the development in the field of science.
- 2. To ignite an interest in science, inspire people, especially students, to perform new experiments, and make them aware of the latest developments in science and technology.

### "STRATEGIES TO CRACK COMPETATIVE EXAMS AFTER B. Sc. IN CHEMICAL SCIENCE"

Organised by

#### **Department of Chemistry**

M.S.P. Arts, Science & K. P. T. Commerce College, Manora, Dist. Washim

#### A report

On April 21<sup>st</sup>, 2022, Department of Chemistry hosted a one day workshop entitled "Strategies to crack competitive exams after B.Sc. in Chemical science" through the online platform ZOOM. A competitive exam is an examination where students are ranked based on their knowledge. There are various competitive examinations held every year for various post in various departments as well as for the admission's in the various institutions like IIT's, NIT etc. So to know the information about such different exams this workshop was held by the Department of chemistry.

The programme was planned to take through the online platform ZOOM. Inaugural function of the workshop was presided by Dr. S. D. Ingole, Head, Department of Chemistry M.S.P. Arts, Science & K. P. T. Commerce College, Manora, Dist. Washim. The workshop was inaugurated with the hands of Chief Guest Dr. N. S. Thakare, Principal, M.S.P. Arts, Science & K. P. T. Commerce College, Manora, Dist. Washim. Dr. S. D. Bhagat and Mr. C. U. Dhanwad are also present as Co-convenor of the workshop. Inaugural function was followed by the guidance by Mr. Hitesh Chaugh, Institute for Advance Studies, Pune regarding different examination which are held after B.Sc. and the strategies to crack such different examinations.

The workshop is followed by the valedictory function Principal, Dr. N.S. Thakare, acted as chief for the program. The program was conducted by Dr. S. D. Bhagat. During the vote of thanks, on behalf of Chemistry department Mr. C. U. Dhanwad thanks to Mr. Hitesh Chaugh, Institute for Advance Studies, Pune, for his valuable guidance in the

workshop. All the members of the Department of Chemistry work for successful organisation of the workshop.

This workshop proves to be fruitful for the students of B.Sc. to crack competitive exams after B.Sc. in Chemical science. Also from this workshop student gets information about the different competitive exams held by the different departments and entrance exams of various institutes for the admission to Post graduation. It is a noticeable outcome of the workshop. Total

"Report of Workshop on Gender Equality"

**Introduction:** 

Everywhere we are observing gender discrimination at every place. Even at home this

kind of incidences happened. Among girl and boys the mother and father discriminate them and

allow the boys to go further in any field. This situation is exemplary, but this is the most

common situation. Somewhere at the workplaces this discrimination is most common thing.

Everyone should pay attention towards it. To make aware our students the Department of

Commerce organized the workshop on gender equality.

Gender equality is not the core subject for Commerce under graduate students. To

generate awareness among the students, our Department of Commerce of the college takes

initiative to organize the workshop on "Gender Equality." Through this workshop students were

able to know about concepts of Gender Equality.

**Objectives:**

A brief Report on

## **Quiz Competition**

#### **Introduction:**

Department of Physics and Mathematics organizes the Quiz Competition to build up the confidence to present their work more efficiently in front of people without any hesitations and get idea about preparation for these kinds of competitions an state/national/international levels. The main objective to conduct quiz competition for students benefits and introduces them with the today's competitive examination world. There were several inputs from the juries, who provided insights into the aspects responsible for developing and enhancing quality in education and provide very informative information about Quiz Competition and also they told the participants about the presentation techniques as well the rules of competitions. The Quiz Competition was a key activity for the college that aims to empower learning, develops skills and support opportunities for all within the society. Feedback from the participants about Quiz Competition was very positive, participants saw great value in working with updated innovative scholars from various colleges, the opportunity to network and to learn from one another and the chance to explore ideas. This report provides background of the Quiz Competition, information, objectives, a summary of the presentations and discussions for the next step.

## **Background:**

The "Quiz Competition" on the different themes of physics and mathematics was conducted by department of physics and mathematics for the benefits of students. In the middle of the academic session, Department of Physics decided to conduct Quiz Competition on Physics and mathematics different themes and it was included in academic calendar of the institution. The convener of the Workshop Principal Dr. N. S. Thakare & Organizing Secretary Dr. K. A. Koparkar, head of Department of Physics, Organizing Secretary Mr. N. B. Bhagat, and Assistant Professor Department of Physics and Organizing Secretary Mr. M. C. Dhabe, Head and Assistant Professor Department of Mathematics took initiative to undertake this Quiz Competition. The initiative represents collective venture of the Quiz Competition committee, teaching and non-teaching staff and students.

#### **Objective:**

The main objective of the Quiz Competition was to make aware students about Physics and mathematics related competitions held at state/national/international level and also get an idea about preparation technique for these competitions. Also, students to be focused on the role of higher education of premier institutions in India.

#### **A Summary of the Presentations**

The quiz competition conducted on 23<sup>th</sup> February 2022 was hosted by Department of Physics and mathematics of M.S.P Arts, Science & K.P.T Commerce College Manora, Dist.-Washim self-financed and sponsored. The quiz competition ran over whole day. The event being mostly brainstorming, session had presentation and then a discussion about the topic and questions answering.

#### **Inaugural Programme:**

Principal, Dr. N. S. Thakare & head, Department of Physics Dr. K. A. Koparkar gave welcome speech to the student participants from different colleges of Maharashtra state. For this Workshop Dr. P. P. Padghan, Asst. Professor, Department of Physics, Shri Shivaji Science College Chikhali Dist.-Buldhana and Dr. S. R. Bhoyar, Head & Asst. Professor, Department of Mathematics, P. N. College Pusad. was juries. Dr. K.A. Koparkar Organizing Secretary & Head Department of Physics gave the information of Schedule of Quiz Competition, and Organizing Secretary Mr. N. B. "Natural Resources and sustainable development"

## > Introduction

Department of Botany, MSP arts, Science and KPT Commerce College, Manora organized online State level poster competition on natural Resources and sustainable development students for UG students and PG students from various institutes of Country on 9<sup>th</sup> August 2021.

Under the theme of

- **>** Biodiversity & its Conservation.
- > Plant Biotechnology for Sustainable development.
- **➤** Water Resources planning & management.
- > Agriculture & Climate Change.
- > Solid Waste Management.

Sustainable Development is the need of today's world for better, clean and secure future of next generation. Sustainable development is only possible if we use natural resources in a precise way. So the theme is totally based on management of natural resources and various techniques used in Sustainable development.

The whole event was organized on 9<sup>th</sup> august 2021 on zoom meeting platform. Student submit their posters on mail id which was provided by organizer. Through this posters student's creativity, ideas and mission towards sustainable development was shown. And it's nice to see that participants are much aware about natural resource use and its importance in sustaining the development. These competition inspired student to think out of the box and they made poster very creativity. Their efforts and initiatives was appreciated by jury members and all teachers.

A very good response of student was received more than 200+ participants registered for this completion. More than 70 students send their poster online using PDF, JPF format.

## "Strategies to Crack Competitive Exams After B.Sc in Mathematical Science"

23rd April - 2022

#### **Introduction:**

Department of Mathematics organized e-workshop on competitive exams and entrance. The main objective to conduct workshop for students benefits and introduce them with the today's competitive examination world. In This workshop rather than working hard, smart work is needed by applying shortcut tricks. Prefer applying hit and trial methods wherever possible as some questions can be solved simply by eliminating the options.. Feedback from the workshop was very positive, participants saw great value in working with updated innovative scholars from various colleges, the opportunity to network and to learn from one another and the chance to explore ideas. This report provides background of the workshop, information, objectives, a summary of the presentations and discussions for the next step.

#### **Background:**

The "Strategies to Crack Competitive Exams After B.Sc in Mathematical Science" e-workshop was convened to bring together SGBA University Amravati Mathematics Teachers & Collaboration with P. N.College Pusad experts from the academic institutions & In an academic session, Department of Mathematics has take initiative for competitive exam syllabus discussed and it was included in academic calendar of the institution. The convener of the Workshop Principal Dr. N. S. Thakare & Co-ordinator Mr.M.C. Dhae head of Department of Mathematics his took initiative to undertake this e-workshop.

#### **Objective:**

The main objective of the workshop was to turn Mathematics related competitive exams and How to solve? How to overcome on maths problem. Also, students to be focused on the role of higher education of institutions in India.

#### **A Summary of the Presentations**

The e-workshop conducted through the online mode using ZOOM meeting application on 23<sup>rd</sup> April 2022 was hosted by Department of Mathematics of M.S.P Arts, Science & K.P.T Commerce College Manora Washim self-financed and sponsored. The workshop ran over whole day and consisted of one technical session out of opening and closing sessions. The

event being mostly brainstorming, session had presentation and then a discussion about the topic and questions answering.

#### **Inaugural Programme:**

Department of Mathematics organized the e-Workshop. Principal, Dr. N. S. Thakare & head, Department of Mr. M.C. Dhabe gave invitation to the student's participant from different colleges of Amravati University for this Workshop. **Mr.Mahesh Shelke Institute of Advanced Studies Pune.** was resource person, he gave knowledgeable lecture on competitive exam for Mathematics. Mr. M.C. Dhabe Organizing Secretary & Head Department of Mathematics gave the information of Schedule of Workshop, introductory speech of the programme and. Principal, Dr. N. S. Thakare Convener of the Workshop gave the presidential speech and Ms..Punam Ingole President of Mathematics Society and the inaugural program by vote of thanks.

The workshop was attended by 95 participants including teachers and large number of students. Participants expressed happiness about the educative sessions and fine arrangements of the workshop. Feedback forms were collected from participants of the workshop. Participation certificates were issued to all the speakers and delegates of the workshop and the workshop came to conclusion at 2.00 PM.

Ku. Punam Ingole execute the valedictory program of the workshop and Vote of thanks. Mr. M. C. Dhabe Assistant Professor, Department of Mathematics exhibit the review of the participants. There were 95 participants including the parent college in this workshop. In the end of this Workshop Dr. N. S. Thakare, convener & Chairperson declared the Workshop grand successfully organized by the Department of Mathematics and congratulate to all the participants budding Scientists & purposed vote of thank to the Guest and participants on behalf of college & declared workshop over.
