Report on University Level Seminar & Poster Presentation Competition

Introduction:

To make students more competitive, multidimensional and to learn the new trends in their subjects related activities IQAC recommended to organize this kinds of programs, which promotes the group efforts towards subject knowledge. The Department of Commerce organized this activity and various colleges belonging to Parent University sent their students to participate in this activity. Various subject experts involved and shared their ideas with participants.

Objective:

1. To make aware about recent trends in the subject.
2. To build stage daring and representation skill.
3. To enhance scientific & research temper.
